

Urban Farm Student Safety Contract

Student Name: _____

Form/Class: _____

I understand that the Urban Farm is a working environment with specific risks. To ensure my safety and the safety of my classmates, teachers, and the animals, **I agree to the following:**

1. General Conduct & Supervision

- I will enter and exit the farm in an **orderly manner** and go straight to the **Barn** for the briefing.
- I will **stay with my assigned group** and never wander off or enter "Out of Bounds" areas, such as the stream, without a teacher.
- I understand that the farm is **strictly off-limits** before school, at break, and at lunchtime unless I have specific, written permission from a teacher.

2. Tool & Equipment Safety

- I will only use tools that my teacher has **explicitly given me permission** to use.
- I will always wear the required **Personal Protective Equipment (PPE)**, including safety glasses and gloves, when instructed.
- I will maintain a **2-metre "Safety Bubble"** when using tools or working near others using equipment.
- I will **never** touch or attempt to use a chainsaw or any other "Banned" equipment.

3. Animal & Pest Safety

- I will treat all animals with respect and follow the teacher's instructions on how to approach them safely to avoid **bites, kicks, or crushing**.
- I will **not touch** any yellow, white, or wooden pest traps. I understand these are dangerous and are designed to be lethal to pests.

4. Hygiene & Personal Health

- I will **wash my hands thoroughly** with soap and water after every session before eating or leaving the farm.
- I will immediately report any **cuts, stings, or abrasions** to the teacher in charge.
- I will take responsibility for my own sun protection by wearing a hat or applying sunscreen when necessary.

Student Declaration

I have listened to the Health and Safety Induction and I understand the rules of the Urban Farm. I am aware that if I behave unsafely or break these rules, I may be removed from the farm and lose the privilege of participating in future activities.
